29 April 2021

Dear Janice and everyone at St James Church,

THANK YOU!

I'd like to say a huge thank you for your donation of £1439.50 to support Oxfam's global response to Coronavirus. The book of soup recipes sounds great!

Like you, we're deeply concerned about how coronavirus will affect people living through conflict, disaster and poverty.

Oxfam's humanitarian staff and partners are working hard to help stop the spread, providing vital support like handwashing facilities, clean water, toilets and soap to the most vulnerable communities.

Working with 124 partners worldwide, we are aiming to reach over 900,000 people with hygiene kits and over 17 million people with other kinds of support, including education about how the virus spreads and the importance of good hand-washing.

We know from tackling outbreaks of diseases like cholera and Ebola that this will reduce the overall number of cases and save lives, thank you so much again for your part in making this work possible.

Tavonga Chikwaya/Oxfam

*Netsai with soap and a bucket from Oxfam.
Harare, Zimbabwe.*

If you have any queries for Oxfam please get in touch on 0300 200 1300 or via enquiries@oxfam.org.uk and we will be very pleased to hear from you.

With best wishes,

Louise
