

Wanted

Any unwanted household objects that
can be upcycled into planters
e.g. colanders, cups, teapots, coffee tins,
wellington boots

Inspired by King Charles' III love for the
environment and all things sustainable,
amongst hosting other activities at the
Coronation Parade, Riding Mill Scouts
will be setting up a stall where children
can learn all about upcycling by
converting unwanted household objects
into beautiful planters.

Please leave items in the designated box at
St James's Church by Sunday 6th May.
Alternatively, bring them along to the Coronation
Parade on Monday 8th May and join in the fun!

Thank You!
